

Lap of Luxury

Combat the damage the festival of Holi might do to your skin, with the help of packages being specially designed to prevent harmful toxic effects of colours to leave your skin looking radiant, at R the spa, Radisson Hotel.

Four packages are available to choose from. The first package includes a Swedish Massage with Vichy Shower. This massage is perfect to relax the muscles, after the day spent in celebrating the festival. It also leaves you feeling fresh and revitalised. The second package takes care of you from head to toe to get rid of any harmful after-effects of chemicals in artificial colours. It features a refreshing welcome drink, Spa Radiance Facial, a relaxing head massage, a manicure and a pedicure as well as a shampoo & dry. The third package features a fruity Body Bliss, a glorious sensory escape in which you are enveloped in enticing scents of papaya and pineapple enriched with nutrients and natural butter to leave the skin deeply nourished and refreshed. Lastly, there's also the Tropical Skin Renewal for recovery of healthy and luminous skin with purging of negative ions. The fourth package is an extensive Holi Detox Package, which features a gentle skin polisher, Swedish massage, Aqua therapy with Moroccan skin purifying wrap and Aroma Awakening Face therapy for complete renewal. There's reason to smile even after the festival.
